Dear FOIA Officer, Under the *Freedom of Information Act* (FOIA), I would like to request a copy of an application that was submitted, and subsequently awarded through the program below:

Program Name:

Pollution Prevention (P2) Grant Program

Agency, Office:

U.S. Environmental Protection Agency
Office of Chemical Safety and Pollution Prevention
Office of Pollution Prevention and Toxics

We are seeking the application from the Erie County Department of Environment and Planning (NY), for which an award was announced in December 2016.

I am affiliated with a private business and am seeking information for use in the company's business. I am willing to pay fees for this request up to a maximum of \$100. If you estimate that the fees will exceed this limit, we would happily accept the cover page, abstract, proposal narrative, and budget table(s) from the awarded application to complete this request, and to keep total costs at or below \$100.

Please send the requested application as soon as possible by email (preferred), or by mail if necessary:
